COMMANDER CONVERSION COURSE DASH 8 – Q400

1.COURSE OBJECTIVE

In accordance with Aircrew Regulations "Conversion Training and Checking", an applicant must complete an Operator's Conversion Course before commencing unsupervised line flying.
This course has been designed to provide applicants, who are new to the Operator and those changing type within Croatia Airlines, the training required to perform Commander duties on the Dash 8 – Q400 to the proficiency and standards developed by Croatia Airlines according to the stipulations set forth in Aircrew Regulations
Once an operator's conversion course is commenced, the applicant shall not undertake flying duties on another type, nor another flight assignment, until the course is fully completed or terminated due to unsuccessful completion of any module herein.
Elements of Crew Resource Management (CRM) are integrated into the modules as appropriate and shall be conducted by suitably qualified personnel.

2.QUALIFICATION AND EXPERIENCE REQUIREMENTS

An applicant must fulfill the following requirements prior to admission to the course: Refer to OM-A Chapter 05.02. Qualification Requirements

3.CREDIT FOR PREVIOUS EXPERIENCE

Applicants undertaking this course as a result of changing type with the Operator may be credited for the following modules:

a. Basic Crew Indoctrination
b. Dangerous Goods Training and Checking
c. Security Training
d. B-RNAV – European RNP-5 Training
e. Safety Training
