

## Unlimited validity of miles with Croatia Airlines American Express Credit Cards

- Your award miles will not expire after 36 months, but will remain valid for an unlimited time if you meet the following conditions:
  - You are a Croatia Airlines American Express Credit Card holder for at least 3 months, and
  - Each month you need to have minimum 1 purchase with the Croatia Airlines American Express Credit Card which is eligible for miles – [First time, the mileage decay defers as of 30.09.2007](#)
- None of your award miles will expire – it doesn't matter if you earned / will earn them with flights, purchases or specials offered by other Miles & More partners
- Expired miles cannot be reactivated by using the Croatia Airlines American Express Credit Card.
- Reversion to mileage expiration: If one of the above conditions is not met, the mileage expiry is reactivated. The reversion will be announced in your Miles & More account statement and will become effective as of the following quarter. Award miles that were exempted from expiration and/or would have normally expired during this time will remain valid until then.
- Mileage expiry will be suspended under the above mentioned conditions for the Croatia Airlines American Express Premium and Standard Credit Cards
