TRAVELER DISCLOSURE AND ATTESTATION TO THE UNITED STATES OF AMERICA

All airlines or other aircraft operators covered by the Order must provide the following disclosure and attestation form to all persons intending to board any aircraft destined for the United States from a foreign country and confirm completion of the disclosure and attestation form prior to embarkation.

TRAVELER ATTESTATION REQUIREMENT:

I _____ [name of traveler or authorized representative, the "Attestee"] have read the following disclosure pertaining to not having been present in the Democratic Republic of the Congo in the past 21 days. Presence in the Democratic Republic of the Congo means any physical presence, including entering or traveling through the country by air (excluding overflights), land, or sea. Presence also includes connecting through an airport in the Democratic Republic of the Congo, even if the traveler did not disembark the plane or leave the airport.

Check **exactly one** of the options below:

- ○ I attest that I have not been present in the Democratic Republic of the Congo in the past 21 days prior to boarding a flight to the United States.
- ○ On behalf of _____ (the Attestee), for whom I am authorized to act, I attest that such person has not been present in the Democratic Republic of the Congo in the past 21 days preceding boarding a flight to the United States.

Airline or aircraft operator personnel may assist with data entry but do not attest on behalf of the Attestee.

I attest that I have responded truthfully and understand that willfully providing false or misleading information may lead to criminal fines and imprisonment under 18 U.S.C. § 1001, and that I may be subject to criminal penalties under 42 U.S.C. § 271 and 42 C.F.R. §71.2, in conjunction with 18 U.S.C. §§ 3559 and 3571 for failure to comply with these requirements.

Printed Name of Traveler or Authorized Representative: _____

PRIVACY ACT STATEMENT

The U.S. Centers for Disease Control and Prevention (CDC) requires airlines and other aircraft operators to collect this information pursuant to 42 C.F.R. §§ 71.20 and 71.31(b), as authorized by 42 U.S.C. § 264. Providing this information is mandatory for all persons arriving by aircraft into the United States. Failure to provide this information may prevent you from boarding the plane. CDC may use this information to help prevent the introduction, transmission, and spread of communicable diseases by performing contact tracing investigations, notifying exposed individuals and public health authorities, and other appropriate public health interventions, including the implementation of travel restrictions.

The Privacy Act of 1974, 5 U.S.C. § 552a, governs the collection and use of this information. The information maintained by CDC will be covered by CDC's System of Records No. 09-20-0171, Quarantine- and Traveler-Related Activities, Including Records for Contact Tracing Investigation and Notification under 42 C.F.R. Parts 70 and 71. See 72 Fed. Reg. 70867 (Dec. 13, 2007), as amended by 76 Fed. Reg. 4485 (Jan. 25, 2011) and 83 Fed. Reg. 6591 (Feb. 14, 2018). CDC will only disclose information from the system outside the CDC and the U.S. Department of Health and Human Services as the Privacy Act permits, including in accordance with the routine uses published for this system in the Federal Register, and as authorized by law. Such lawful purposes may include, but are not limited to, sharing identifiable information with state and local public health departments, and other cooperating authorities. CDC and cooperating authorities will retain, use, delete, or otherwise destroy the designated information in accordance with federal law and the System of Records Notice (SORN) set forth above. You may contact the system manager at dgmhpolicyoffice@cdc.gov or by mailing Policy Office, Division of Global Migration Health, Centers for Disease Control and Prevention, 1600 Clifton Road NE, MS H16-4, Atlanta, GA 30329, if you have questions about CDC's use of your data.
